Your appointment time is scheduled exclusively for you and you may be charged the full fee for appointments not canceled at least 24 hours in advance. Clients are asked to take responsibility for determining the type and extent of insurance coverage for services rendered. It is requested that payments be made at the time of service. Each client is asked to assume responsibility to file insurance claims as is appropriate. Some insurance plans require that I file claims for services rendered; in these cases I will do so. Statements are provided monthly. Checks returned for insufficient funds will result in a \$20.00 charge being added to your account. If the balance due exceeds \$400.00, continued services may require a formal agreement.
